I take the liberty of this address to your Excellency, and I trust that on the north or southern side (at or on the north or southern side of the Spring Gardens), a spot has been selected for the purpose of your Excellency's Excellency. The land is now fenced and is occupied by a few tenants. I am now in possession of the premises and have the use of the land for the purpose of a garden. I trust that your Excellency will consider the matter and grant the necessary permission. I remain, your Excellency's obedient servant,
