### INTRODUCTION

Whilst engaged in the transcription of the registers of the Bunclody Union of Parishes, the Rector kindly offered to search the Templeshanbo registers (in the neighbouring Killanne Union) for surnames of interest. He drew my attention to entries in the earliest Templeshanbo register which predate the generally accepted coverage. I offered to transcribe the entries in question and this document is the result. As with all documents of this nature the original should be consulted to confirm that entries have been transcribed and indexed accurately.

The following specific points should be borne in mind when using the transcript:

Dates All dates have been standardised as follows; day in numbers, month in three letters (abbreviated as necessary), year.

Legibility and Spelling In cases of doubt, the spelling of surnames has been checked against other entries in the index; variations in the spelling of the same surname have been noted. Indecipherable details are marked with a ?.

Additional Information Marginal notes and comments from the Register appear in the text or as footnotes.

The Index The index lists in alphabetical order all persons who were married at Templeshanbo over the period 1800-1814. Abbreviated Christian names have been transcribed exactly as they appear in the Register.

## DETAILS OF THE REGISTER

This transcript is based on a document titled:

### Registry of Marriages in the Parish of Templeshanbo

which is to be found at the front of the earliest Templeshanbo register. It consists of 3 pages of marriages (names and dates only) in the same hand and includes the following note:

*In the year 1814 a new registry & Vestry-Book were, (after much & long persuasion on my part) purchased for the parish of Templeshanbo. To that registry I refer, or to the one within the Chapelry of Monart in Templeshanbo parish, for all marriages subsequent to the above Date.*

*George Low  
Late Curate of Templeshanbo*

*Prior to my coming into the Curacy I have been assured that no registry of any kind was kept.*

A further note on the flyleaf states:

*Copy of Memorandums of Marriages received from Mr Low 23  
Nov 1825 Thos Ferns*

One may therefore conclude that the document is a contemporary copy of the Parochial Returns for marriages at Templeshanbo, covering the period 1800-1814 and drawn up no later than 1825 by a previous curate of the parish for his successor.
