**MY DATA MATTERS!**

Sarah has a new bike and it's very important that she keeps it safe.

Hi Sarah, is it OK if I use your bike? I would like to use it so I can cycle to the shop.

Hi Luke!

I don't know, as I have to always check with my parents first to ask if it is OK if you use something of mine.

Hey Mum, is it OK if my friend Luke borrows my bike? He would like to use it today.

Yes, it is OK but remember you must always ask me first if someone else can use it.

My mum said it's OK - but you are not allowed to lend it to anyone else without asking me first AND you must look after it really well, please!

Oh last thing - if something happens to my bike, you have to let me know straight away, please!

No problem - thank you!
