

My Data Matters

What is GDPR?

The General Data Protection Regulation tells us how to keep your information safe. This information is called personal data. We have always looked after your information safely but GDPR makes sure that we are doing the best job we can

Do you share my information with anyone else?

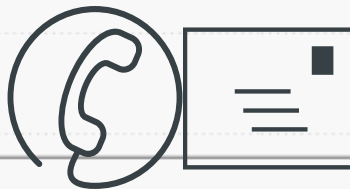

We only share your information when you say it's OK or unless there's an emergency

Personal data...what's that?

Who can use my personal data?

Personal data is any information about you like your name, address, phone number, email address or birthday

Only someone who you give it to, who asks your permission. This could be the Rector, youth or Sunday school leader

When might we ask for your personal data?

What if I don't want to give you my personal data?

We might ask for your personal data, like your email address, so that we can email you to tell you about an event at church or
We might ask for your mobile number if we are taking you on a church trip away

We are not allowed to make you give us any information if you don't want to
