## CMS Ireland Annual Project 2012 Nepal

Acts 3 tells the story of Peter and John going to the temple to pray. At the Beautiful Gate of the temple, they had an encounter with a lame man – an encounter that changed his life.

At *The Beautiful Gate*, worship and mission come together. At *The Beautiful Gate*, lives are transformed.

CMS Ireland's Annual Project for 2012 focuses on SD Church in Nepal, a place where God's people engage in worship and mission, a place where lives are being transformed every day.

**the beautiful gate** resource is designed to help children and young people find out more about Nepal and learn something about SD Church. Through stories from the bible and Nepal, through videos, crafts and activities, the Annual Project will help explain and explore the importance of Loving God and Loving Others. There will also be an opportunity to raise funds to purchase a much needed vehicle for the church and to support their Charity Care Fund.

To find out more about this exciting resource and to hear more of how God is at work in Nepal, please come along to one of our Annual Project launches or contact us via phone: **02890775020** (Belfast office); **014970931** (Dublin office) or e-mail us at: [annualproject@cmsireland.org](mailto:annualproject@cmsireland.org)
